Colourful visit

Framed by spikes of delphiniums at the entrance to the home of Maurice and Margaret Smith, two participants enjoy the beauty of the gardens before going inside. The Smith home was one of a number of stops for the more than 300 visitors who took part in the annual Minden Home and Garden Tour this past weekend. The proceeds from the \$10 admissions will be donated to the Haliburton Highlands Health Services Foundation.

Highway 35 construction to begin in September

The long-anticipated construction to Highway 35 in Minden should get under way in late August or early September.

Sheri Graham, Project Engineer with the MTO, attended Anson, Hindon and Minden council to update municipal officials regarding the project.

"The design is completed and the project is advertised now," she told members of council at last Thursday's meeting. "The tenders close on August 2 and some activities should start the end of August or the beginning of September."

One of the first things that will have to be done is to move utilities to make room for the wider stretch of highway.

Graham told council that a clause in the tender states that the Prince Street (Canadian Tire Drive) entrance to Highway 35 must be completed by either November 15 or by the time of the winter shut down, which ever comes first.

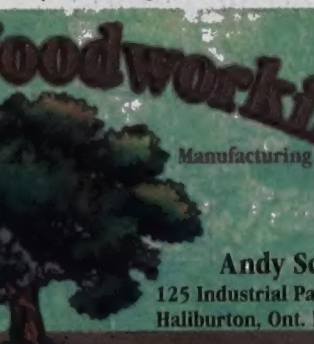

Graham outlined the work that is to be done, including the installation of three sets of traffic lights (at Main, Newcastle and South Water Streets),

(more on page 3)

It was the Mad Hatter's tea party all over again Saturday in Wilberforce. Many of the costumes used in the recent Loop Troupe's production were on display in the parade. Settling in for a cup of tea are Cathy Sharpe as the Mad Hatter and the Dormouse, Cynthia Blair. The festivities were part of the community's annual Country Goodtimes which took place this past weekend. (Photo by Matthew Sittler)

AGM held July 8

SLACAR membership remains strong

by Matthew Sitrler

Concern for water quality, boating regulations and the state of the election-process were just some of the issues that were addressed at the South Lake Association of Cottager's and Resident's (SLACAR) annual general meeting. The meeting, held July 8 at the Gelert Community Centre, opened with comments from Snowdon Reeve Ross Rigney.

"It's great to see all our people back," said Rigney. "Our lakes are active, our community's active and a lot of things are happening." Rigney reiterated Snowdon Council's commitment to a single-tier government and said that although the amalgamation effort does not meet that goal at present, future options remain open. "It's a good step towards a single-tier government down the road," he said. "We have control of our own destiny. I think the co-operation in our particular series of amalgamation meetings is great. It's a very efficient system and its working."

Land-fill sites however, continue to be a great challenge, he said. "Not only are they a challenge to us as a township having to control them and pay for them, but the Ministry of Environment has started to tighten up their rules as well."

Rigney said he suspects that while "most of us are pleased with the way things are going," the situation could be worse. "Our land-fills are in good shape, our licenses are in good shape, it's cost a little bit of money, but its been worthwhile," he said.

"Snowdon Council continues to show strong fiscal management in their ability to hold the line in property taxes for the past few years," said Rigney. "Despite the upheavals of the Provincial service realignment. It's easy to be critical of the government and we've been that," he continued, "But our own local MPP has really treated us well, enabling us to find some funds at the right time, and as a result, we've been able to hold our tax line."

Rigney says he thinks that process will continue upon amalgamation. "The goal will be no tax-in-

crease, that we will continue to fit everything in and continue to bring you the services we do today," he concluded.

Membership up

Kathy Mason then delivered the membership report. "I'd like to congratulate you all - This year we have 94 members as of today," she said. 75 per cent of this is a result of publicity through the SLACAR newsletter and people who mailed-in their memberships, said Mason. "As of now, a membership has gone up from \$15 to \$18," she said, thanking the block captains for their continued efforts. "They make my job a whole lot easier." They are Marie Roy, Phyllis DeGrace, Phyllis Brown, Peter Tom and Marie McCutcheon. This was the highest number of members in the past couple of years.

The organization's Ways and Means Committee was next to report. "We are raising money for the lake study," said Phyllis DeGrace. Money raising included 50/50 draws, corn roasts and yard sales. The Penny Auction will again be part of the annual corn roast. Last year that effort raised \$215. Each year, interesting items are donated by the members with all proceeds going directly to financing the lake study project which Ray Lymer discussed in detail.

"This year the water remains exactly the same as last year, with a couple of concerns," reported Lymer. "Last week the Sechi disc reading was 5.5 metres deep, this is one metre deeper than the average last year, which means the water is clearer." Because the water is clearer, explained Lymer, the sun is now getting through to the shallow parts - an effect that promotes weed growth. "That might be a problem," he said. "We are still doing water tests weekly. We can still swim in it, we can still enjoy it, but with this going on, we have to watch it in the future."

Lymer spoke about the widening gap between seasonal and permanent residents in and around the lake. "Seasonal doesn't mean summer any more," he said. "Seasonal could be any time of the year. People are

now turning their cottages into permanent homes." Lymer said that out of 124 cottages or homes around the lake, 41 are now considered permanent residences. "What effects will this have on our lake?" he asked.

Foundation donation

Gord Monk was on hand and updated the members on the Haliburton Highlands Health Services Foundation's, (HHHSF), year and events. SLACAR responded by donating \$300 to the HHHSF to go towards completion of the Hyland Crest initiative. (See photo on page 2)

The Clerk of Snowdon Township, Ernest Hills was the meeting's guest speaker. He spoke about election issues and the changes that will be coming with this fall's municipal vote.

Constable Dave Fletcher, of the OPP's Marine Unit, updated SLACAR on the changes made to boating regulations regarding operator competency. Beginning September 15 of last year, youths under 16 years of age operating a powered craft used for recreational purposes, will be required to have proof of operator competency. This requirement will be extended to all operators of power boats less than 4 metres in length, as well as all PWC's by September 15, 2002. By this date, proof of operator competency will be required for all power boat operators.

Snowdon Clerk Ernie Hills.

Highway work set to begin

(from page one)

widening of a section of the highway to five lanes to accommodate a centre turn lane and the reconstruction of the Gull River bridge, to name a few of the highlights. She said a temporary bridge will be installed to the west of the current Gull River bridge while the construction is under way. The original bridge will be left in place as a snowmobile crossing.

Graham said the project should be completed by the end of 2001.

MTO representative Wilf Roy told council that a number of areas on Highway 35 between the Victoria

County boundary and an area north of Halls Lake will also be improved.

Most of the improvements will involve widening of the pavement and shoulders of the highway. A section south of the south entrance of County Road 121; a section at Miners Bay; a portion of highway from Horseshoe Lake Road One to Carnarvon and a section from Moore Falls south to the county line will see some work done starting this fall. A more than two kilometre passing lane will be added to part of the highway between Minden and Miners Bay.

Thieves target outboard motors and golf clubs

The following is a report of activities during the past week prepared by the Haliburton Highlands and Victoria County detachments of the Ontario Provincial Police.

Police investigated a theft on Boshkung Lake in Stanhope Township in which a ten horse power Mercury outboard motor was taken from the back of a boat. The incident occurred sometime during the past month.

Police investigated a break and en-

ter at the Guilford Community Centre on Concession #7 in Guilford Township. Investigation revealed 36 bottles of beer had been taken. The incident was investigated July 9.

A set of golf clubs was taken from Beechview Resort on North Shore Road in Stanhope Township sometime after midnight on July 10.

The same night, police investigated a theft on Kushog Lake Road in Stanhope Township. A 15 horse power

A delightful musical tour through four centuries

Shouts of 'bravo' and a standing ovation greeted the cast at the end of the opening evening of *Camerata, A Gathering of Musicians*, Saturday, July 8, at the Northern Lights Performing Arts Pavilion at the High School in Haliburton.

Camerata is the third of four productions to take to the Pavilion stage in the premier seasons of the Highlands Summer Festival.

The music was superb, the performances exacting and the story line, a delightful link between the various pieces. The show's title refers to the Florentine Camerata of 1573. Count Giovanni Bardi welcomed fellow musi-

cians into his home to learn from each other as they discovered the magic of music. With that background, the audience is introduced to a young girl, Alaina Benoit, who is obviously frustrated with her attempts to master Gershwin's *Rhapsody in Blue*.

As her impatience grows to frustration, Count Bardi, Tom Regina, appears followed by two other spirits of the past, Lauren McInnes and Melissa Stephens. The count serves as a guide for the young student, as the spirits and Count play and sing music from the sixteenth century to contemporary times.

Tom Regina is masterful on the

flute, demonstrating the full range of the delicate instrument with dexterity and skill. Likewise Lauren McInnes and Melissa Stephens, singly and in duets, with versatility showed the full range of the Performing Arts Pavilion grand piano. McInnes also held the audience spellbound with her singing of Scarlatti's *Le Violette*.

The concert includes pieces by William Byrd, Bach, Mozart, Reinecke, Schubert, Debussy, Claude Bowling and concludes with McInnes and Stephens picking up on the student's efforts with a spine-tingling interpretation of Gershwin's *Rhapsody in Blue*.

With a touch of humour and informative nuggets which enhanced the musical program, the dialogue linking the pieces, written by director Darrell Dobson, provided a break to lighten

what was basically a concert turning it into an even more enjoyable experience, perfect for a summer theatre lineup.

The costumes, created by Melissa Stephens, added an extra touch to the performance.

Unfortunately, *Camerata* is only scheduled for four performances in the Highlands Summer Festival series, leaving just three more to enjoy. We are sure that once the word is out the remaining houses will be quickly sold.

Camerata also will be welcoming a number of guest performers this summer. Local musical student and singer Jenna Stutt will join the cast for this Saturday's performance, July 22.

Camerata is also scheduled for Friday July 28 and Wednesday August 9. All are evening performances, starting at 8 p.m.

Alaina Benoit, left, with two musical spirits, Melissa Stephens and Lauren McInnes. Tom Regina, right, plays Count Bardi, a spectre from the sixteenth century who, along with the spirits, leads the student on a musical tour covering four centuries.

I purchased a new home for \$97,000, why is it insured for \$118,000?

The insurance industry uses a Standard Home Evaluation Form to arrive at the replacement cost of a home. This is done so if anything happens to the home, the insurance company will replace it. As well, if it costs \$120,000 to

rebuild, this is covered. There are many factors used to achieve this calculation i.e.: age of the dwelling, square footage, number of stories. It is very common for the purchase price of a home to vary from the insured value.

PRE-PLANNING... A THOUGHTFUL WAY OF CARING

When you die, your loved ones will have to deal not only with their sorrow and loss in your passing, but also with the many details and decisions required in planning your funeral arrangements.

By caring enough to pre-plan these arrangements you can ease the burden of your family during this difficult time. With pre-planning, you specify arrangements that might have otherwise caused sadness, confusion, even differences of opinion among family members. You make the choices - even determine the cost - involved in your funeral; bringing peace of mind to yourself and your family with the knowledge that they will not have to decide what your wishes might have been.

Planning for the future is logical, wise and caring.
Don't let this important time be an exception.

Annual General Meeting attracts large crowd

LKO members pleased to hear about lower taxes

by Matthew Sitrer

Take two Reeves, mix in a possible membership fee increase in the fall add a dash of property owners who are concerned, and a lecture by a member of the OPP Marine Unit and you have the ingredients for the annual general meeting of the Lake Kashagawigamog Organization. "I want to thank you all for coming out tonight and taking part in the Association's AGM and showing your interest in the continued stewardship of Lake Kashagawigamog," said LKO President Peter Oyler as business got under way.

The first politician to bring greetings on behalf of her municipality was Anson, Hindon and Minden Reeve Jean Anthon. She started her talk on a positive note. "There should be a slight decrease in the total in your tax bills which will be out by the end of July," she said, to applause of the delighted ratepayers.

Anthon then informed property owners about some of the Minden budget's past-year highlights. "These include a major revamping of the fire department's pumper tank and some other general improvements," said Anthon. "We are always investing in this crucial service for our municipality."

Anthon went on to inform the crowd about the two additional police officers who were assigned to the Haliburton Highlands Detachment earlier this year. "I think you will appreciate that extra diligence, because this is your detachment," she said.

"At the County level, one of the major projects this year is moving towards 9-1-1," emergency phone service, she continued. "The first step of course is getting addresses, which your lake association is helping to move ahead. There are still several hun-

dred private roads that have no names though." Anthon spoke about future efforts aimed at the major task. "Next summer, we will probably hire students to verify all the information which is generated this year. Haliburton County has agreed to pay the whole cost of the signage program - this could be as high as \$400,000."

Anthon asked the crowd to 'be reasonable' when selecting names for the roads. "It's nice to name a

road after Uncle Joe," she said, "But if Uncle Joe turns up on Canada's most-wanted list, in the future we will have to pay to get it changed, so maybe pick a historic or natural, geographic feature."

Acknowledging that this is indeed an election year, Anthon urged people to 'vote with knowledge.' "You are part of the community - not only a lake community, but an urban county community," she

(more on page 16)

A large crowd attended the annual general meeting of the Lake Kashagawigamog Organization, held July 8 at the ballroom, PineStone Resort.

We all have the answer to the question

It has happened at more than one cottage association meeting this year. The members listen attentively to the lake steward, who reports on water clarity, phosphorus loading and perhaps the potential presence of one of the so-called invading species. And then, someone asks if the water is safe to drink or even swim in. We all know where that question came from...what happened in Walkerton this spring will haunt us all for many years to come.

The short answer, and the one that anyone in authority will provide is that no surface water is ever to be considered "safe to drink". There are just too many variables for anyone to make that declaration. Their caution reflects good common sense. Water contamination can come from any number of sources, many of them natural and uncontrollable. However, there is one source of potential contamination which is within the control of humans and that is septic waste disposal.

Properly functioning and maintained septic systems will help ensure that our lakes and rivers do not deteriorate.

The question regarding the potability of lake water sounds a little troubling to some. However, rather than dismissing it as alarmist, we should see it as an opportunity to inform and educate others so that our waterways do remain as clean and fresh as possible.

jb

ATVs are not toys

Editor:

It's unfortunate that a twelve year old sustained head injuries when he crashed the all terrain vehicle he was driving into a tree on Horseshoe Lake Road. (The Times, July 10)

What were his parents thinking in permitting his use of a vehicle capable of quickly reaching speeds of up to 100 kmh? Do they not realize the danger to the youngster himself and to other users of the road? Do they not know that the operation of an ATV on any road in Ontario whether it's municipal, county or provincial, regardless of the age of the driver is prohibited by Ontario's Off Road Vehicles Act and that this is police enforced?

These high powered machines are definitely not toys or mechanical babysitters, and even their name (ATV) should give even the most uninformed some indication that they are not meant to be operated on a road. No thinking person would hand a youngster the keys to a car or truck, yet we routinely permit the road operation of a vehicle that is just as deadly and offers far less protection from serious injury. Let's hope it won't take a fatality to cause awareness of the prohibitions contained in the Off Road Vehicles Act.

Hans von Richter,
Minden.

Help following fire is appreciated

Editor:

On Friday, July 7, we experienced an intense fire at our cottage. This letter is to express our heartfelt appreciation for all of the help and assistance we received from our friends and neighbours on Devil's Lake.

We well know that without all of their fast-acting support we would have lost everything. The guys from the Minden Fire Department were super and their reassuring response was definitely needed.

Thanks go out to so many amazing individuals, especially our bucket brigade; our pump-men; our im-

promptu sleep-over hosts; the friends who rounded up all of our boats; neighbours who met the firefighters at the main dock; our terrific clean-up crew and our favourite Home Hardware employee; and last, but definitely not least in importance, thanks to our electrical and plumbing gang. We were so grateful for running water!

We often don't realize how caring people can be and how blessed we are to be surrounded by the cream of the crop.

The Bradburys,
Devil's Lake

P.S. The kids loved the cookies.

Thanks for the letter

Editor:

Thank you for publishing Barry Robb's letter (July 4) talking the truth about Bill 74, as opposed to only the "spin" version in the glowing press release from Chris Hodgson's office.

The PC version was probably fabricated by some hack in Janet Ecker's office with orders to all P.C. reps to have it published. I am sending a copy along with Gary Brohman's and Irv Sternberg's ad thanking the teachers of H.H.S.S. to Janet Ecker.

I doubt if they ever read any nega-

tive mail but one can always try. When you look at the pictures of the current grads from H.H.S.S., its evident she has not wrecked Haliburton yet.

How she got a "B" on the Toronto Sun political report card, I'll never understand, especially when Mike got a "D" and Dalton McGuinty an "F".

Your explanation of the wonders of amalgamation (appearing in *Minden & Area '00*) was great - thanks again.

Bill Valentine,
Lutterworth.

Compassion means caring for and desire to help not feeling sorry for

Editor:

I am responding to the letter entitled "Lack of Knowledge and Compassion" (July 10), written by Kerry Brezina. Of course I am aware of the difference between Whitby Mental Hospital and Penetanguishene. At the Health Services Board meeting, I prefaced my remarks with my perceived interpretation of a forensic mental patient. If that was inaccurate, no one, including Jose Urbano, Program Director of the Mental Health Services in Minden, corrected me.

As to Kerry Brezina's remarks on compassion, I would suggest that compassion indicates concern for and a desire to help another. It does not mean only "feeling sorry for." My concern is whether these people in question are going to be helped or simply left to be a potential danger to themselves and possibly others.

It was to clarify this issue of respon-

sibility of care that I requested information on number of patients, support staff for their care, and Whitby's and Peterborough's level of psychiatric backup. The first was answered (15); the second as to what was the qualification and level of experience of the care givers, was not; and the third seemed vague and inadequate.

This is where my use of the word "smarmy" appeared, which referred to the apparently rather innocent and sweetly presented deal by the Mental Health Authorities without any real information or indication of problems or pitfalls. The word in no way reflected upon the socio-economic or educational background of the patients. I would have thought that the editor with his journalistic flair would have had a better understanding of the word.

Concerning the drug situation, it was indeed an unfortunate remark on my part. I had in mind a particular

past instance which was not pertinent to this here. But of course I am aware of the drug culture which I am sure is no different here from other areas.

Ms. Brezina referred to the media jumping on issues of this kind and I would suggest that that is exactly what she has done with her inflammatory remarks. Because of this, I was reluctant to respond to her letter at all, but was urged to do so.

This is a medical situation which deserves to be considered, where questions can be asked and honest answers given. That is why you have a Health Services Board where obviously members have different points of view and will weigh these up and make decisions accordingly.

This newspaper should not be a forum for a public vendetta.

Maurice Smith,
Hall's Lake.

Cattle drives moove into low gear

Remember Rawhide?

Perhaps it was before your time.

It was a TV western, really big back in the early 60's, all about a gaggle of cowboys who drove cattle across the West and the adventures that befell them in the doing of it.

Rawhide was primarily notable as the debut vehicle for a lean, squint-eyed newcomer by the name of Clint Eastwood. The other thing that's remarkable about it is that, as a program concept, Rawhide would never make it off the drawing board today. Are you kidding?

It was about cattle drives.

The cowpokes in the show used to whoop and yell and wave their Stetsons and lasso stray calves and gallop after runaways.

The theme song was a punchy, up-tempo ditty with lyrics that went "Move 'em on, git 'em up, git 'em up move 'em on, move 'em on, git 'em up, Rawhide (whip crack)"

Wrong, wrong, all wrong.

Cowboys don't drive cattle anymore. Not in this age of caring and empathy. The old and evil cattle drives have been replaced by 'holistic herding', also known as 'low stress livestock management'. And how does that work exactly?

Well, for starters, the Born Again cowboys no longer whoop and holler and gallop. Instead they coo and whisper and take extra care to make no sudden movements that might alarm or discomfit their four-footed charges. Instead of 'driving' a steer in any given direction, the ex-cowboy-turned-emo-

tion-counsellor gently moves into the steers 'space', then backs off when the steer moves towards him. And the animals are never, ever approached from the rear.

You think I'm making this up, don't you.

Well, I'm not. According to Steve Cote, a spokesman for the U.S. Natural Resource Conservation Service "low stress livestock handling is changing the whole face of the West." I can see where if cattle had the votes, they'd poll solidly in favour of New Age Wrangling, but what's in it for the cowpokes? "It's hard to believe at first" says Cote, "but the results are there for everyone to see - the cattle are happier, healthier and more obedient if they are not shouted at or subjected to stress."

They tend to stay together and not wander away, and consequently life is easier for the cowboys". Cote even claims that the cattle will even accept being branded if they are talked to gently - which I find a little hard to believe.

I've never had actually had a piece of white-hot metal bearing a ranchers monogram slammed into my naked haunch, but I'm pretty sure no amount of sweet talk would persuade me that it was a good idea.

If these sensitive New Age cowpunchers care about their cattle so much, why don't they deep-six the branding irons and break out the Magic Markers?

Still, holistic herding does look like an idea whose time has come. Predict-

ably, a lot of the old ranch hands think it's so much longhorn puckie, but the men who pay their salaries are singing a different tune.

Horace Smith is a rancher who runs a 17,000 hectare spread on the Nevada/Idaho border. "It's not easy for a lot of (the cowboys)" says Smith, "but times are changing and they have to change with them. And," Smith adds bluntly, "if the cowboys don't want to change and do it our way, then we don't want them."

Oh, I can see a lot of change heading due Westward. Language alone is going to have to get a lot more sensitive. Perhaps cattle drovers will be issued with name tags that say "Hi, I'm Wilbur, your personal Travel Facilitator".

'Cattle drives' could be renamed 'ambulatory inter-species be-ins'. And what's to be done with those macho, decidedly uncool rodeos?

Well, I suppose the calf roping portion could be re-designated as rotating seminars On Coping With Externally Imposed Restraints. The bucking bronco section might be overhauled and presented as, "Equine applications of Newtonian Physics, or, What Goes Up Must Come Down."

All I know is, I'm glad John Wayne moseyed off to the Last Roundup before holistic herding rode into town. I don't think the Duke could have handled the whole dadburned concept.

But who knows?

Maybe John Wayne had his sensitive side too.

After all, his real name was Marion Morrison. And I'm not making that up, either.

The results are in...

This week we welcome Haliburton County Chamber of Commerce marketing and events co-ordinator to our pages. Carol Moffatt will be providing monthly updates on Chamber activities. Her first column appears below.

Survey says....!

The 'Boomer Survey' is complete! The information gathered will be used to understand who we are in terms of economics, health, education and lifestyle, and then used to direct and enhance the chamber's Economic Development efforts. The survey was completed through a group effort of The Chamber, the HCDC, the County of Haliburton and the Health Services Board. Thanks to all involved for a valuable project well done.

Marketing

The new image is coming! Preliminary concepts of logos and slogans can be seen and discussed at the 'Community Forum' at the Stanhope Firefighter's Hall on Friday, July 28 and the Public Meeting at PineStone on Thursday, August 24. Call The Chamber for details.

You're invited

Starting this fall, we will be hosting regular business meetings including Networking Breakfasts and Luncheons. Our Business-to-Business meetings will

be renamed Business After Hours and are undergoing a conceptual face-lift to better meet our members' needs and desires. We'd like to show off our members' locations, so if you're interested in hosting, call us.

Our last Business-to-Business meeting, held in April at Sunny Rock Lodge, was a great success with more than 50 business and tourism operators

in attendance. Don't miss out!

Chamber News

by Carol Moffatt

Welcome

New members with the Haliburton Highlands Chamber of Commerce include: Pole Position Cartways ~ Go Algonquin ~ Twin Rocks Resort ~ Pine Springs Resort Inc. ~ Noble Motel & Restaurant ~ Mill Valley Natural Spring Water Delivery

Notables

Chamber V.P. Diana Ferguson was recently awarded an Honorary Membership from the Canadian Payroll Association, a national organization she founded in 1978. Congrats Diana!

Trails & Tours

The Trails and Tours Network kiosks are on schedule and under way. The chamber will be a highly visible participant in these wonderful 'mini welcome centres' to be located at three key locations in the county. The plans are fantastic! Want to know more? Call Rachel at The Chamber office or drop in to see the plans.

Bill and Judith Dann recently purchased and renovated Riverside Inn on Highway 35 in Norland. The licenced dining establishment is open daily from 11 a.m. to 9 p.m. The dinner menu offers a choice ranging from escargots and pasta dishes to the traditional prime rib or steak. Reservations are recommended in the evening. Riverside Inn provides diners with a choice of separate smoking or non-smoking rooms and is wheelchair accessible. The Riverside Inn is located on Highway 35 at the four corners in Norland. For reservations call 454-1045.

An invitation share a new vision

Editor:

In 1999, Heat-Line Corporation won an OMB decision to build a small industry at the Stanhope airport. A very small group of people opposed to our new facility at the Airport were fearful of its impact.

We need new industry in this county to support our residents

and especially our future generations. New concepts in business development must be achieved as Haliburton County is at the doorstep of the huge Metros to the south and will develop.

I have designed and built a model small industry at the Stanhope Airport.

Race starts at 6 p.m.

Local OPP officer wins gold medal

by Jerry Grozelle

His performance was a long way from his personal best, but Constable David Neville still came back to Minden with a gold medal from the Law Enforcement

GOLD MEDALIST: Constable David Neville of the Haliburton Highlands OPP Detachment came home from the Law Enforcement Games early this month with a gold medal in the Bench Press division of the Weight Lifting competitions.

ment Games in Ottawa last month. Neville competed in one event, the bench press, which was one of the power lifting events at the games.

After pressing 495 pounds the week before the games, Neville had his sights set on 535 pounds for the competition.

"I have bench pressed more than that in training, but I had a bad day," he said. "I was kind of disappointed."

The 415 pounds he bench pressed for the gold medal was a long way from his goal, but he says he is determined to do better next year.

"I didn't have a lot of time to get prepared for it," he said. "I just heard about it eight weeks before hand."

Neville competed in the 20-29 age and 242 pound class.

At age 26, Neville has been weight lifting for half his life. But this was the first time he has put his ex-

perience to the test in a competition.

The games featured a variety of events, such as running, swimming and shooting and was open to anyone employed in law enforcement.

"It was a really big event. There were a lot of people and it was a lot of fun," Neville said. "It was a well-run event. I'm looking forward to it next year."

The 2001 Law Enforcement Games will be held in Hamilton.

It is sponsored by the Ontario Law Enforcement Athletic Association.

Neville, a native of Oshawa, has been stationed in Minden since December of 1997. This is his first posting since joining the force. He served as an Auxiliary officer with the Durham Regional Police Force before coming to Minden.

Neville is happy about his posting to Minden.

"I can't complain," he said. "I couldn't get sent to a nicer place than this."

26th annual Norland Fire Fighters Horse Pull, Auto Show 'N' Shine well attended

The 26th annual Norland Horse Pull and Car Show 'N' Shine was a great success once again. The event enjoyed an excellent turn-out. The number of vehicles registered for the Show 'N' Shine continued to increase, with 75 participating.

The event also featured a craft show and sale in the community centre, which was well attended.

Heavy Horse Class

First, Clifford Manion of Peterborough (8,100 pounds); second, Tom Saunders of Cameron; third, Keith Hobden of Lindsay; fourth, Kevin McLeary of Cheltenham.

Light Horse Class

First, Tom Saunders of Cameron (6,550 pounds); second, Keith Hobden of Lindsay; third, Dennis Stamp of Wyebridge; fourth, Kevin McLeary of Cheltenham.

Heavy Pony Class

First, Pat Langwin of Tweed (4,950 pounds); second, Glenn Parks of Bancroft; third, Blaine Way of Millford; fourth, Laverne Way of Millford; fifth, Tony Langwin of Tweed.

Looking for some relaxing recreational competition?

by JCHindle

Calling all grandparents! Have you reached the stage of retirement when your grandchildren have seemed to lose interest in coming up to the cottage during the summer months? When they were younger, they couldn't wait to visit their grandparents but now that they are older, other interests, such

as summer jobs in the city, seem to take precedence. This leaves a lot of grandparents to find a recreational activity which will occupy those days which would otherwise have been devoted to their grandchildren.

Most are not ready for a retirement home and some do not wish to participate in the more active sports such as tennis or golf, but want something to

occupy their days and keep active.

If this is happening to you, the Minden Indoor Lawn Bowling Club has the ideal sport for you. Indoor lawn bowling is a quiet, gentle game that provides the exercise you need plus the skill and competitive fun that keeps you interested. Having the games indoors on the ice surface of the Minden Curling Club has the advantage of playing without the interruptions due to inclement weather or attacking insects.

If you are interested, give Gerry Ryan a call at 286-3757 and she will be pleased to give you further details.

Of course, while we have been addressing the seniors of the Minden and Haliburton area, lawn bowling is for everyone 21 and over and we welcome anyone who is interested in becoming a member of our club.

Don't forget our garage sale at Madge Bennett's place on Saturday, July 22.

Scores for the lawn bowling games played during the week of July 3 are as follows:

Monday, July 3, 10:30 a.m.
Jim Hindle 14, Ross Farr 4
Joan Mackenzie 21, Gala Heal 1

Tuesday, July 4, 7 p.m.
Howie Ryan 10, Ross Farr 7
Tom Hurta 13, Eleanor Young 11

Wednesday, July 5, 10:30 a.m.
Jim Hindle 13, Howie Ryan 8
Gala Heal 11, Joan Mackenzie 6

Thursday, July 6, 7 p.m.
Eleanor Young 15, Lorainne King 6
Joyce Hills 11, Irene Fuhr 10

\$1,000 BOOST: The Drag River Rehabilitation Project in Haliburton got a \$1,000 donation from Haliburton Resident Jim Elstone (second from right). Accepting the \$1,000 bill is Wayne "Woody" Wood, a project volunteer. Also present for the presentation were HHSS science teacher Dave Mowat, who co-ordinated the project (right) and Dan Selbie, the project manager. Along with his cash, Elstone, who is a landscape architect, offered some advice regarding the placement of the retaining wall around a huge birch tree which leans out over the river. Elstone said he is impressed with the project, especially the involvement of the numerous high school students, without whose assistance the project wouldn't be possible. He said he hopes his donation will act as an incentive for others to support the project.

THE ACTION CONTINUES: The Thursday evening recreational softball, five-pitch and T-ball action in Minden continues to draw players. This past Thursday evening saw a few games at the Minden ball diamonds. Organizer Grant Shaw said he will continue to bring the equipment to the park on Thursday evenings as long as the players keep coming out. The action above is from the late innings of a softball game that ended in a 13-13 tie.

Forest health a natural concern

Leslie M. Frost Natural Resource Center, is pleased to announce The Stewardship Series Forest Health workshop Friday, July 21 from 8:30 a.m. to 3:15 p.m. This informative workshop will be held at the Leslie M. Frost Natural Resource Centre, rain or shine. Pre-registration for Stewardship Series workshops is required, cost to attend is \$10 per person per day, taxes included. Participants can bring a lunch or purchase a lunch at the Frost Center at an additional cost of \$10.93. (Please register in advance at 705-766-2451.)

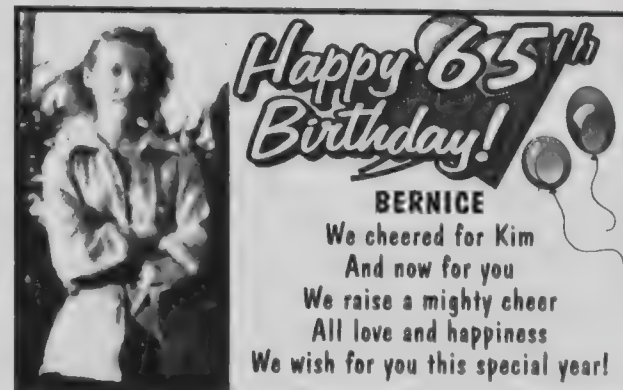

The "Forest Health" informative workshop explores the natural and human influences that can affect our forests. The impacts of fire, insects, disease and pollution will be examined and discussed. The workshop is of great benefit to landowners, land stewards and cottagers across the region. Participants are urged to dress appropriately for the weather and be prepared for a short hike on rocky/rugged terrain.

Sponsored by the Haliburton Highlands Stewardship Council and the ParrySound Muskoka Steward-

ship Network, the Stewardship Series consists of five workshops designed for anyone planning and conducting work projects on private lands. Participants will gain the knowledge and skills required to practice good land conservation through on the land investigations, resource sharing and networking with land stewardship experts.

Consisting of volunteers from all parts of the community, the Stewardship Councils are made up of landowners, loggers, cottagers, naturalists and hunters. The focus of the councils is to foster the sustainable use of natural resources and the maintenance of ecosystems on private lands for today and the future.

For more information or to register for the Stewardship Series of your choice, please contact Leslie M Frost Natural Resources Centre at (705) 766-2451 or visit www.thefrostcentre.on.ca

Max McKelvey honoured for 25 years service

Members of Anson, Hindon and Minden council and municipal staff gathered at the council chambers for a special presentation at last week's council meeting. The occasion was to honour Max McKelvey for 25 years loyal service to the municipality and to wish him well on his retirement.

Public Works Superintendent Clayton Cameron presented McKelvey with a framed collage of photographs from his last day on the job and Deputy

Reeve Jerry Rome presented him with a plaque and a watch as a token of the municipality's appreciation for his dedication to the job.

Max's wife Mary was also honoured for her support of her husband and for the numerous times she answered the telephone late at night when Max was called in to deal with a work related situation that wouldn't wait until morning. She was presented with a bouquet of flowers.

Growing in the Highlands

(from page 8)

Haliburton offers a lifestyle second to none and this is the single and most important asset we have. As communications and technology continue to grow this lifestyle will attract people and businesses more quickly than we may think.

This puts us at the threshold of opportunity or perhaps disaster. It's happening already as home based businesses thrive here through on-line communications.

Next we will see industry come. Probably small at first, but light clean industry may have a real chance here. Imagine - jobs for our kids!

We can't stop development and we don't have to fear it as long as we do it right. I believe industry can be developed in our County in a way that sets us apart from the norm.

Light clean industry could be nestled neatly throughout the countryside where, when and as required, positioned and approved to suit all parties concerned while preserving quality of life "lifestyle" and the environment. This could be land development so special that people will choose Haliburton.

The Heat-Line building is an expression or model of this idea. On July 27, 2000 Chris Hodgson will officially open our building at Stanhope Airport at 11:00 AM.

An invitation is offered to everyone to visit our "open house" following the ribbon cutting. Especially those who opposed its development.

Lorne Heise,
President, Heat-Line,
Stanhope

DEDICATED SERVICE: Max McKelvey was honoured for 25 years service to the municipality of Anson, Hindon and Minden at a special ceremony last week at the municipal council meeting. Max and his wife Mary are seen here with gifts they received at the presentation.

Fearrey cautions about future of landfill sites

(from page 5)

said. "There are many, many issues at stake, so buy a newspaper and keep informed."

Dysart Reeve Murray Fearrey took to the podium next, announcing that Dysart would also be spreading good cheer regarding tax bills. "It won't be going up for the seventh year in a row, as far as we're concerned," he said, before addressing concerns he felt were 'on the horizon.'

"Everything we look at is in danger," he said. "Look at our landfill sites for instance. We've been dumping in areas of this county for 30-35 years now, just dumping in the land - not knowing all the time what was going in there. In the next few months, you will be hearing a lot from Dysart about this, and there will be public meetings held to try and find an alternative solution to the way we are doing things."

"We are sitting on a time bomb," Fearrey concluded. "You talk about Walkerton - Walkerton has had publicity now forever. Haliburton County can have that same publicity just as quickly - if we pollute Lake Kashagawigamog which is bordered by two landfill sites."

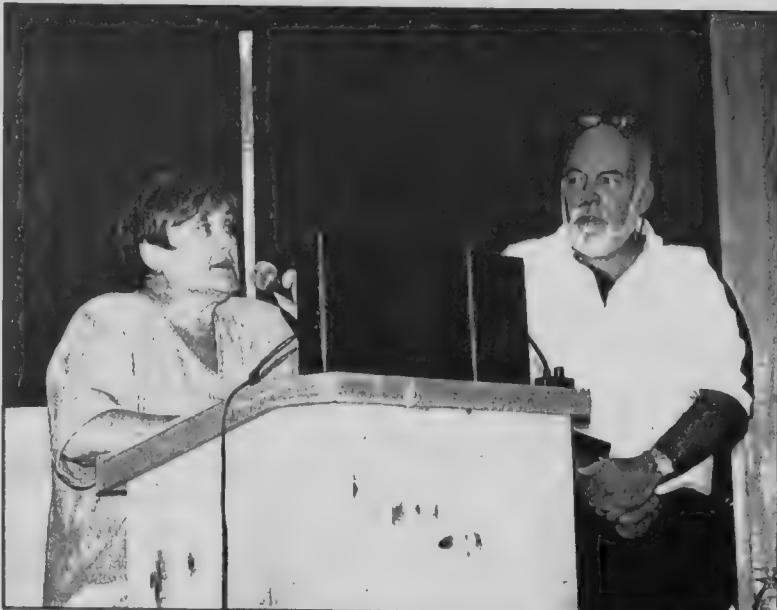

Fearrey then asked the crowd to 'not be biased during the solution-finding process,' "Let's all work together on this."

Cottage Watch

Next up was the Cottage-Watch Program which was explained thoroughly by OPP Constable Laura Ostler. "Break, enter and thefts are always a difficult topic to talk about," she said. "As you know from being cottagers, we deal with isolated areas - lots of lakes, lots of cottages - a large area which needs to be covered in order to protect the property."

This year, through efforts such as the 'policing for results' survey, Ostler said one of the top allocated areas of concern for the community, were break and enters. She asked how many in attendance have been affected by this crime - a percentage of which responded in the affirmative. "By looking around, you can see that it's obviously a problem," she said. "So one of the things we've done as an office to help alleviate this, is identify one street crime unit officer, Constable Curtis Frederick, whose sole-focus will be break and enters every day."

Ostler says this policing initiative has helped raise the rate of arrests, the recovery of stolen items and on the whole, has made a substantial difference. "The time that we get a lot of break and enters is after the Thanksgiving weekend," said Ostler. These break-ins, she explained, are done by car, boat and, during the winter, snowmobile. This could be curbed, she said, through increased patrols and the identifying of specific problem areas.

Lake Kashagawigamog Organization's Treasurer Lynne Hoppenreys and President Peter Oyler addressed the Annual General Meeting at Pinestone Resort.

By utilizing self-help crime prevention and communication through the formation of a Cottage Watch committee, the increased contact between year-round residents would help raise awareness. "The year-round residents are the eyes and ears of the community," she said. "They can identify suspicious vehicles, and create deterrents that would not require a big-time commitment."

She also suggested the property owners create a home-inventory list and inscribe identification numbers on personal valuables. She noted that the by etching the numbers into the item the property can be returned to its rightful owner, if it is recovered.

Constable Dave Fletcher a member of the OPP Marine Unit, then brought the crowd up to date on boating and water safety regulations.

Membership report

"At present, we have 211 members," said Association's past president John Hincks. "There are between 80 - 90 members who have not renewed their membership and I'd like to remind you that we need all of you."

A number of donations were presented at this time. The Haliburton Highlands Outdoors Association received \$250 that was accepted on its behalf by John Ball. The Drag River Rehabilitation Project was also given \$250 which was accepted by Dan Selbie and Amy Brandon.

Before the meeting adjourned the water-quality issue which was discussed briefly, earlier in the meeting by Dysart's Reeve Fearrey. "Through the efforts of Gord Hodgson and his committee, to ensure that water quality remains at a high level, the LKO executive will be addressing increased analysis of water quality testing for Kashag in 2001," said Peter Oyler. "In conjunction with this, Director Charles Kupal has undertaken a one-man inspection tour of the Haliburton Sewage Treatment Plant and will be providing a full-report in the next newsletter."

During the fall of 1999, the LKO made presentations to county council to oppose the Trent/Severn system extension to Minden on the Gull River and possibly to the Kashagawigamog chain. The meeting was told that the idea is no longer being actively pursued.

"As well, we took an active role with presentations with respect to amalgamation, the proposed Haliburton by-pass and vote-by-mail in the upcoming municipal elections," said Oyler. "To ensure that Dysart, Minden and the County, know and continue to recognise the importance of both year-round and seasonal residents on Kashagawigamog."

Around the lake, the LKO, through the efforts of Glenda Bryson of the Boating and Water Safety Committee, combined with both the co-operation of the public and private sector, posted regulatory signs at the boat launches on Kashagawigamog, Head Lake and the two marinas which service them. The signs ask boater to ensure they are not carrying any invading species like zebra mussels, in or on their boats.

Also, the executive examined the Deer Lodge Redevelopment Proposal site and directors have met with proponents of the development. After reviewing the consultant's report on the proposal, particularly on those issues that relate to the lake, including, but not restricted to, storm water run-off, its management and sewage treatment, shoreline management and boat traffic. "The formal application for the Deer Lodge proposal has not yet gone to Dysart Council," said Oyler. "But your executive has indicated to Reeve Fearrey its support in principal, of this project. We will make a

presentation to council at the appropriate time and continue to monitor this development."

"This project is a potential benchmark for possible re-development on the lake. We must make sure these developers get it right the first time," Oyler concluded.

Canning lake P.O.A. defy the weather

Rain or shine the meeting goes on

With a bright orange plastic canopy stretched out over the lawn, members of the Canning Lake Property Owners Association gathered Sunday, July 9 for their annual meeting. Threatening skies had prompted the organizers to erect the additional coverage and before the meeting was over, the shelter was much appreciated. Midway through the meeting the skies opened and the rain pounded down, but other than the words of a few of the speakers, no one was drowned out by the downpour.

As it has been for years, the meeting was hosted at the home of Ross and Lois Rigney on the south side of the lake. (Lois' parents, the Riddells, had welcomed the lake association to the lawn for many years prior.

The meeting covered a number of topics including reports from the reeves in whose townships Canning Lake is located. Anson Hindon and Minden Reeve Jeanne Anthon invited the members to become involved in the introduction of the 9-1-1 emergency phone service in the county by assisting in the naming of area cottage roads. She explained that each road in the county must have a unique name prior to the introduction of 9-1-1 service. She said that beginning next year, an army of young people will fan out across the county to identify the inhabitants of each dwelling. As well a number will be assigned to each property, with number signs being provided by the county. The road names and property numbers will enable emergency services to quickly identify the location of a residence requesting emergency services.

In other issues she advised the members that the county will be assuming responsibility for the land ambulance service starting in the new year. She also suggested, whatever source of water property owners use for drinking or cooking, it should be tested on a regular basis for potability. Anthon noted that water sample kits for testing purposes are available at municipal offices, through the Health Unit or at the

(more on page 20)

Bathed in an orange glow created by the plastic tarp, members of the Canning Lake Property Owners Association held their meeting July 9 at the Rigney home. President Terry Wilkins, standing at the left, conducts the meeting. The tarp proved to be valuable as later in the meeting the rain poured down.

Canning Lake property owners asked for input on official plan

(from page 18)

Chamber of Commerce office.

The Reeve and Warden also asked the property owners to become involved in the county official planning process. While the county plan will be general in nature (more specific plans will be developed at the municipal level) it is still important that all sectors of the county have a say in its development. A public meeting is scheduled for August 23 to allow public participation in the process. She said the details of the meeting will be reported in local newspapers.

"For the fifth year in a row, we have held the line on tax increases and in fact there is a small decrease this year, thanks to the county," the Reeve concluded.

Snowdon Reeve Ross Rigney reported that the amalgamation process, combining Anson, Hindon and Minden, Snowdon and Lutterworth Townships was proceeding. "We are working well together," he said of the transition council. Noting that the impetus for amalgamation came from the Snowdon Council he remarked, "It was the right move at the right time."

He told the property owners that the Snowdon Council was in the process of bringing its landfill sites into compliance with Ministry of Environment regulations. He said the municipality also worked co-operatively with the municipality of Glamorgan to provide drop off points for residents of that municipality. Problems arose last year for residents on the west side of Glamorgan Township when their dump was closed and the closest landfill sites were located in Snowdon Township. Under the arrangements, Glamorgan residents can take their garbage to a transfer bin at one of the Snowdon dumps where it is stored until it is taken to a Glamorgan site. "No Glamorgan garbage is going into our landfill sites," the reeve said. He also noted that with the co-operation of the other township, a recycling program has been started at the Snowdon dumps.

The municipality has also taken over ownership of the park and picnic area at Furnace Falls. "We are working with the Burnt and Irondale Fisheries Enhancement organization, and they have agreed to look after the maintenance of the park."

Finally he told the meeting that, like Anson Hindon and Minden, the Snowdon Council has held the line on municipal taxes this year.

A number of candidates for this November's municipal election were introduced. Property owners had an opportunity to speak with them following the meeting.

More police presence on the lake

Terry Wilkins, the President of the Canning Lake Property Owners Association reported to the members that there is a greater police presence on the lake this year and the OPP is using unmarked craft as well as regular patrol boats. He pointed out the police are serious about enforcing the regulations and reports that fines starting at \$125 are the being levied. For example, he noted that the fine for not having the proper life jackets on a vessel is \$240. (Later in the meeting the meeting was told that damaged life jackets, even if they had been repaired, were not acceptable. Once a life jacket is damaged, i.e. the skin of the jacket is

ripped, it must be replaced.)

Wilkins said the lake had been visited by a particularly noisy boat a week earlier but nothing could be done to stop it. "Unfortunately, it appeared to be legal," he told the meeting. He also reported that the proposal to extend the Trent/Severn waterway to Minden via the Gull river and link it to the Kashagawigamog chain appears to be a dead issue. This news appeared to be welcome by most of those in attendance.

He advised the members that the cottage association umbrella group CAMHRA in co-operation with the Minden Business Association, had organized an all-candidates meeting for municipal election hopefuls on September 23 at the Minden Community Centre.

Other Speakers

Chamber of Commerce manager Peter Rigney told the members that his organization is moving ahead with a vigorous plan to market the county both to tourists and light, non-polluting industry. The tourism effort is targeting the shoulder seasons. He said by improving the local economy he hopes to be able to reduce the overall tax burden.

Rachel Gilhooly of the Haliburton County Trails and Tours Network encouraged the residents to take advantage of the many trails in the county. She said the common signs, information kiosks, brochures, maps and an enhanced website are a few of the tools being used to promote this aspect of the county. She said the group intends to invest \$750,000 in the development of trails and tours in the county over the

(more on page 21)

During one heavy downpour, volunteers Irv Green (right) and John Catahno (left) used brooms to help support the sagging canopy and send the water away from the centre of the cover.

Man drowns in Shadow Lake

(from page 3)

Johnson motor had been stolen sometime between June 17 and July 4.

Drowning at Shadow Lake

Victoria County OPP were called to the scene of a drowning on Shadow Lake in Laxton Township. Antonio Chiarantano, 40, of Bolton, Ontario, had been fishing in a canoe when he fell into the water. Mr. Chiarantano attempted to swim to shore but was unable to make it. Another boater on the water at the time saw the fisherman in distress and attempted to rescue him.

Two other male parties swam out to assist. They

were able to pull Mr. Chiarantano into the boat and begin CPR. Mr. Chiarantano was pronounced dead at the scene. A post mortem was scheduled for Friday, July 14 at Ross Memorial Hospital. No foul play is suspected at this time.

Marine statistics

The Haliburton Highlands Detachment Marine Unit completed a patrol on KENNISIS Lake July 7, resulting in five small vessel charges, one Liquor License Act charge, 20 small vessel warnings issued and 25 vessels checked. A patrol of Lake Kashagawigamog July 8, resulted in 64 vessels checked. No charges were laid however, six small vessel warnings were issued.

Cottage Watch gets nod at Canning Lake

(from page 20)

next few years.

Rollie Wagg told the meeting that the quality of the Canning Lake water is unchanged from last year, but still cautioned the members to treat the water they take from the lake before consuming it.

Association treasurer Irv Green, after reporting on the organization was in good financial shape and that 247 out of a potential 280 property owners had paid their dues this year, told the meeting that the executive had agreed to participate in the Cottage Watch Program. It is similar to the Neighbourhood Watch programs operating in many communities. He pointed out that more than a deterrent to potential thieves, the program encourages property owners to call the police if they see anything suspicious. "The signs are reminders to all of us that we belong to a self-protection system," he told the members.

Fred Jones Bass Award

The winner of the Fred Jones Bass Award for 1999 was announced. Ed Brown captured top prize for a seven pound bass. Weigh-ins for this year's trophy take place at the Rigney's home until Labour Day, the last day of the contest.

Haliburton Highlands Health Services Foundation manager Dale Walker invited the members to help finish the public portion of the fund-raising effort for the new health care facilities at Minden and Haliburton. She also encouraged them to take part in the public tours of the new facilities to see what has been built. The tours of the Hyland Crest site in Minden are on Wednesdays and the Haliburton site on Thursdays. Both tours begin at 2:30 p.m.

Jim Mitchell suggested the association look into purchasing some playground equipment that is currently being

ing taken out of Toronto area school yards. He said, in some cases, there is little wrong with the equipment and it could be made safe and reinstalled at the Ingoldsby park at little cost. The executive will look into the suggestion.

Members were also asked to complete a questionnaire regarding the construction of an aquatic centre in the county. The group known as 'Yes We Will Build A Pool in Haliburton County', is gathering the opinions of area property owners to support its effort.

Doug Shaw reported that 30 people turned out July 8 for the annual PIG (Pitch In Garbage) Day. The volunteers combed the shoulders of roads around the lake, cleaning up litter and debris. He said, even though a truck load of garbage was collected in an hour and a half, more volunteers are needed for next year.

The members were

also reminded of the association fun day Saturday, August 5 at the Ingoldsby Park. Organizer Lois Rigney said there would be the usual array of games for children and adults, a barbecue and raffle. The fun starts at 3 p.m. (Rain date is August 6.)

Before the meeting closed the members endorsed its executive for the coming year. They included: Terry Wilkins back as president; vice presidents Lois Rigney and Gus Janca; secretary Dave Whalen; treasurer Irv Green; and directors: Janet Bond, Ed Brown, Wayne Cox, Gary Ford, Susan Henderson, June Jefford, Ken Marlow, Mike O'Driscoll, Reg Raby, Doug Shaw, Helene Shewchuk, Robert Taylor, Rollie Wagg and George Wright.

Police appreciate co-operation at accident scenes

When tragedy strikes the first response is often the local volunteer fire department. Such was the case at the accident near Gooderham that claimed the life of 47 year-old Dale Bone of Glamorgan Township.

Haliburton Highlands OPP Sergeant Mike Reynolds said the co-operation of the volunteer fire fighters and others who stop to help often goes without acknowledgement, but he stressed that it is very much appreciated.

"Even though we responded immediately, there was a time frame of about 20 minutes before we got there," Reynolds said. "By that time, the victims had certainly been looked after in their medical treatment and the scene was contained for us. That makes our job easier when we get to a scene, especially when we get co-operation from the various township fire departments and the citizens that stop, some of them on

their way to holidays, to help with injured persons.

"A lot of times, we don't get the chance to thank those people," Reynolds said. "We, as a police force would like to take our hats off to those people who take time from their holidays to assist people in need."

Reynolds said that some people even stopped and provided insect repellent to the officers and emergency personnel. He said the mosquitos were really bad at the scene of the accident.

The tow truck drivers also provide valuable assistance at accident scenes, Reynolds noted.

"The people who respond to these calls, our towing companies, and our fire departments, are the people of our community who work with us on a day to day basis, and see the tragedy. Sometimes the sights are often not pleasant," he said. "The co-operation of

the public is always welcomed. The first response of the people in the community is often very important to the survival of the victims."

Reynolds said Vivian Bone, wife of the man who died in the accident, called the OPP office last week to thank everyone who helped at the scene of the accident and to express her sympathy for all of the victims involved.

In light of this accident, Reynolds had a couple of safety tips to pass along.

"Before making a U-turn, take the time to look twice," he said. "And, if you see a vehicle on the shoulder of the road, slow down and be prepared -- just in case. It only takes a couple of seconds."

Reynolds said the investigation into the Gooderham area accident is ongoing and further charges are pending.

Kinmount quilt captures essence of area history

by Matthew Sitrer

The Kinmount Railway Station and surrounding parkland bustled with activity last Monday, July 10. Not only was a painting donated and unveiled by the Kawartha Field Naturalists Society, but the day also served as an occasion to unveil the Kinmount Millennium Quilt - an appliqued replica of Kinmount as it exists in the year 2000.

The Quilt

The quilt initiative began at a regular Kinmount Committee for Planning and Economic Development meeting in 1998. At the time, it was suggested that a Quilt be created as a Millennium Project to celebrate

the millennium. Roni Brelsford and Joyce Brown, two members of the committee offered to head up a sub committee of different Kinmount organizations and churches, to assess the feasibility. Phone calls were made, Designs and Formats discussed - the quilt was on its way.

It was decided that a crest of each organization and church would be created on blocks to frame the centre applique. On the outside border, residents names were embroidered in a chain pattern with a 'In Memoriam' section for former residents who are now deceased. The name spaces were sold for two dollars per name.

Bill McGillvary drew the town plan to scale to fit the size decided on by the group, Andrew Ueberer

computerized crest drawings to fit the size of the blocks needed to border the centre applique section. The crests were all hand embroidered with the appropriate colours. Work on the quilt was done in the Kinmount Baptist Church every Tuesday afternoon during 1999 until June of 2000. Under the leadership of local quilter/needle craft expert Esther Graham, a group of women worked on it until completion.

The quilt will find its permanent home at the Kinmount Railway Station in its Tourist Information Room but can be borrowed for display at special events in town. It is hoped the quilt will be enjoyed by future generations for a very long time.

Rock and gem show slated for July 28-30

- submitted -

A new Haliburton Highlands tradition is about to begin.

The Wilberforce Rock and Gem Show will bring rock and gem dealers from all over Canada to display and sell their wares. It is hoped the event will demonstrate the many facets of rock and mineral collecting and artistry to a wider audience, whether it be those who are already interested in one of the many hobbies related to minerals and gems, or those who are simply curious and enjoy seeing the beauty of nature.

Rock-hounders already know that the Wilberforce area is renowned for mineral collecting, due to the unique geology of the region, which makes it the perfect place for an event of this type.

Inside the display hall visitors will see such items as mineral and crystal specimens from all over the world. Rock carvings, polished stones, beautiful bookends, wind chimes, and jewellery of

all types. Spectacular gems and minerals, as well as many craft and jewellery making supplies will also be available. According to the organizers, this show offers a great opportunity to view and purchase gifts, interesting items to add to the decor for your cottage, home or office, unique personal items, additions to your mineral or gem collection, or supplies to create unique crafts.

In addition, door prizes, donated by each of the dealers, will be given away during the event. The grand prize is a matching pair of 18-inch Cathedral Amethyst Geodes. These are hollow rocks filled with clear purple crystals and are worth over \$1,100! Many other prizes of jewellery, minerals, and fossils will also be given away as door prizes.

The Wilberforce Rock and Gem Show is an indoor event, which will be held at the Monmouth Arena, across from the Lloyd Watson Centre and the Monmouth Fire Hall,

on July 28, 29, and 30. Doors open on Friday from 6 p.m. to 9 p.m. Saturday from 10 a.m. to 5 p.m., and Sunday from 10 a.m. to 4 p.m. Admission is \$4 per day for adults, \$3 for seniors and students, and children under 12 are admitted free when accompanied by an adult.

TOWNSHIP OF GALWAY-CAVENDISH AND HARVEY NOTICE OF A PUBLIC MEETING AND OPEN HOUSE SESSIONS CONCERNING A PROPOSED OFFICIAL PLAN AMENDMENT AND A ZONING BY-LAW AMENDMENT

TAKE NOTICE that the Council of the Corporation of the Township of Galway-Cavendish and Harvey will hold a series of open houses and public meeting to consider a proposed amendment to the Official Plan for the former Township of Harvey and a proposed amendment to Comprehensive Zoning By-law (No. 85-94) under Section 17 and 34 of The Planning Act, R.S.O. 1990. The schedule for the open house sessions and public meeting is as follows:

LOCATION AND TIMES

<u>Open House Session #1 -</u>	Galway Hall, Galway Road August 16, 2000 - 7:00 p.m. to 8:30 p.m.
<u>Open House Session #2 -</u>	Cavendish Community Centre, County Road 507 August 19, 2000 - 9:30 a.m. to 11:00 a.m.
<u>Open House Session #3 -</u>	Lakehurst Hall, Hamlet of Lakehurst August 19, 2000 - 1:30 p.m. to 3:00 p.m.
<u>Statutory Public Meeting</u>	Lakehurst Hall, Hamlet of Lakehurst August 19, 2000 - 3:00 p.m.

LOCATION OF SUBJECT LANDS:

The proposed amendments have general application to all lands within the corporate limits of the Township of Galway-Cavendish and Harvey; and therefore a key map has not been provided.

PURPOSE AND EFFECT OF THE PROPOSED AMENDMENTS:

The proposed amendments are intended to consolidate the Official Plans and Comprehensive Zoning By-laws, for each of the former Townships of Galway-Cavendish and Harvey, which have remained in full force and effect following municipal restructuring as of January 1, 1998.

By virtue of this amendment exercise no new land use policies or regulations are being introduced which are not otherwise present in either of the existing documents. This is with the exception of any policy revisions, which have been deemed as necessary to reflect current Provincial Policy or maintain conformity with the County of Peterborough Official Plan.

It should be noted, however, that certain policies and regulations may now have application to a broader land area than prior to amalgamation.

The amendments also include the preparation of updated digitized mapping for the entire Township.

PURPOSE OF OPEN HOUSE AND STATUTORY PUBLIC MEETING:

The purpose of the open house sessions is to provide the public with an informal opportunity to review the draft amendments and mapping and discuss the consolidations with the Township's Planning Consultant and Township representatives. There will be no formal presentation during these sessions. The public is encouraged to drop in at any time during the allotted time. Input in the form of comments or questions will be appreciated.

The purpose of the statutory public meeting is to provide the public with a brief formal presentation outlining the proposed amendments, and for Council to formally receive comments and/or questions from the public.

REPRESENTATION:

ANY PERSON may attend the public meeting, and/or make written or verbal representation either in support of or in opposition to the proposed official plan amendment and/or the proposed zoning by-law amendment. Written submission in respect of the proposed official plan amendment should be directed to the Clerk of the Township of Galway-Cavendish and Harvey prior to the public meeting.

If a person or public body that files a notice of appeal of a decision of the Township of Galway-Cavendish and Harvey in respect of the proposed official plan amendment or zoning by-law amendment does not make oral submissions at the public meeting or make written submissions to the Township of Galway-Cavendish and Harvey before the proposed official plan amendment or zoning by-law amendment are adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

INFORMATION:

ADDITIONAL INFORMATION relating to the proposed official plan amendment and zoning by-law amendment is available for inspection at the Township Municipal Offices during regular office hours; at the Township Library in Buckhorn and the Cavendish Community Centre during normal operating hours; or in the Township Building office in the Galway Hall on Wednesdays from 8:30 a.m. to 12:00 noon.

NOTIFICATION:

Anyone wishing to be notified of Council's decision in respect of the proposed amendments is required to file a written request with the Clerk of the Township of Galway-Cavendish and Harvey.

Dated at the Township of Galway-Cavendish and Harvey this 17th day of July, 2000.

ONTARIO GOVERNMENT TENDER

TENDER #50-00-31

ATTENTION CONTRACTORS - AN INFORMATION MEETING ON THIS TENDER TO BE HELD AT THE HUNTSVILLE ROYAL CANADIAN LEGION HALL AT 21 LANSOWNE STREET EAST ON JULY 26, 2000 AT 7:30 P.M.

Closing Date:

August 9, 2000 at 1:30 p.m. Local (North Bay) Time.

The **MINISTRY OF TRANSPORTATION** of Ontario requests tenders for winter operations equipment (plow trucks, spreader trucks, plow/spreader trucks and loaders).

LOCATIONS:

Parry Sound, Mactier, Dunchurch, Gravenhurst, Huntsville, Emsdale, Dorset, Dwight and Minden areas.

DURATION OF CONTRACT:

2000/2001, 2001/2002, 2003/2004 winter seasons, exact duration specified in the tender documents.

Information Call

Stan Farnsworth at 705-789-2391. Ext. 230.

Note

- The lowest or any tender not necessarily accepted.
- Interested bidders must contact CEBRA at www.merx.cebra.com or 800-964-6379 to obtain tender documents. Tenders received from any other source will be rejected.
- Bidders on a suspended list will have their tenders rejected and returned unopened.

DEDICATION CEREMONY: The new Laxton, Digby and Longford fire truck arrived in time for the 26th annual Norland Fire Fighters Horse Pull and Auto Show 'N' Shine on July 10 at Ward Memorial Park. Members of

LDL Council and the Norland Fire Department gathered for a special dedication ceremony. The Township of Lutterworth, which uses the services of the Norland Fire Department, donated \$2,000 toward the cost.

SENIOR OF THE YEAR: Somerville Township resident Bryce Young was the recipient of the Senior Citizen of the Year Award for the municipality. Somerville Reeve Dianne Austin presented the award to Young at the July 10 meeting of Somerville council.

Bryce Young Somerville Senior Citizen of the Year

Somerville resident Bryce Young received the municipality's Senior of the Year Award. The certificate was presented by Somerville Reeve Dianne Austin at the July 10 council meeting.

Young served on Somerville council himself for eight years. In 1983, he was elected Deputy-Reeve. He served in that capacity until 1988, when he was elected reeve. He held that position until the fall of 1991.

During his terms on Somerville council, he was instrumental in the construction of the new Somerville municipal office.

As a member of Victoria County Council, Young spearheaded the restoration and renovations to the County Administration Building in Lindsay. He also chaired the County Restructuring Committee in 1990. "He was a man ahead of his time in that respect," Reeve Austin said.

Young was the warden of Victoria county in 1987 and again in 1991.

Bryce Young remains active in the community. He is a member of the Kinmount Committee for Planning and Economic Development. He is involved in the project to restore the Austin Sawmill to operating condition. He is also a member of the Kinmount public Library Committee and he is a long time member of the Masonic Lodge.

He was congratulated by all members of council.

In accepting the award, Young told council, "when you enjoy doing something, it really isn't like work." He noted that he had many calls at home when he was a member of council and the vast majority of those calls were "good ones."

With the changes that will see all of Victoria County become the new "City of Kawartha Lakes", Young will not only be the first recipient of this award in the new millennium, but he will also be the last ever to receive the honour from the municipality of Somerville.

Painting informs tourists about shoreline flora

(from page 23)

The Painting

A painting by local artist Ruth Orr depicting certain types of flowers and plants that grow along shorelines was unveiled along the river's edge in the parkland by the Kinmount Railway Station the same day. Kawartha Field Naturalists President Terry Bradt was also on hand, he did a lot of the mounting and framing work for the project, and thanked everyone who was present at the unveiling for attending. Ruth Orr described the painting as a "Work of love" that took nine months to paint. "I am very interested in wild flowers," said Orr. "And keeping things natural."

"This unveiling serves to promote the natural heritage of the shoreline," said Jim Saigon, Publicity Man for the Kawartha Field Naturalists. "That's what this is all about." Ruth Orr will number the different plants/flowers in her painting and will list all the

types on the information plaque attached to the painting. this will allow not only better understanding for viewers regarding what types of plant life in-

habits shorelines, but will serve as a millennium moment that future generations can look back upon as well.

Nature never looked so good

Artist Ruth Orr stands by her painting which depicts shoreline plant life that grows along the banks of the Burnt River. The plants in the painting will be numbered to correspond with descriptions to enable tourists to identify the stream bank flora.

Kinmount Quilt Unveiling

A group of quilters stand by their newly-mounted work depicting the town of Kinmount Village as it appears in the year 2000. The historical reference will be on display at the Railway Station tourist information booth.

County of Haliburton Annual Community Forum

at the
Stanhope Firefighters' Hall
on

Friday, July 28th, 2000

9:30 a.m. to 4:30 p.m.

Plan to participate in the third annual community forum and learn more about the County of Haliburton Civic Addressing process, view the draft of the new Brand Image that has been developed through the efforts of the Marketing Committee and review the results of the Survey of Seasonal and Permanent Residents coordinated by the Haliburton County Development Corporation and other local partners.

There will be plenty of opportunity to talk to representatives of these local groups as well as the County Forestry Official regarding the County Tree Cutting Bylaw, Heart Connection and the Advisory Committee for the Environment.

You are invited to come out and participate at your own comfort level whether that is to just listen and learn or to grab the opportunity and identify and discuss issues that are important to you as an individual and the County as a broader community.

For more information, please contact the County Office at 705-286-1333 or email twilbee@county.haliburton.on.ca. Lunch will be provided.

Business Profile

Bistro is the latest addition to a Highlands dream

Built as a summer resort in the late 40's, customers and neighbours have seen many changes over the years to Silver Eagle Resort, spanning seven decades with five sets of owners. Building and developing the property to the business potential has been a major goal for the present owners Marj Kennedy and Larry Tupling.

Marj moved to the Highlands in May of 1984 from Stratford Ontario, hailing from successful entrepreneurial parents in the hotel/motel/restaurant business. She grew up in the people service industry and continues to enjoy it to this day. Marj is now starting her 17th summer season at the resort and continues to see new faces and old ones as repeat customers share familiar stories and pleasant experiences around the camp fire.

The resort now has an added special feature: The Bullfrog Bistro Restaurant, a

large challenge and undertaking for the new millennium. Welcoming in New Year's Eve 2000 with family and close friends was a goal that had to be met, and was! Much success and hard work for its completion in time for the New Year's Celebration goes, with a big thanks, to: RTL Construction; Walker's Heating and Cooling; Churko Electric; Hawk River Construction; Blue Max Builders; Keith Studholme; and Stonewood Printers.

Bullfrog Bistro is a warm and friendly place, with a home-style relaxed atmosphere. Great food and good prices, the dining room seats 40 and has a fabulous view overlooking Eagle Lake. Relaxing on the upper deck overlooking the resort and watching the boats go by is truly a delightful experience. As hoped and planned, the Bistro will complete the resort as a full service

destination for travellers from both near and far. Local residents and cottagers have been delighted with having an eating establishment so close to home. With customers arriving by boat, car and bike, or even snowmobile this winter, have proven, for the first six months, that we have done the right thing.

Marj and Larry and staff wish everyone a safe summer and winter and want you to come out and enjoy a meal at the Bullfrog Bistro. Reservations are suggested but not always necessary. Family parties and special occasions can be arranged. Application has been made for a liquor license and is expected soon. Watch for the announcement.

Call the resort at 754-2497 or the Bistro at 754-4462. We are open: 8 a.m. to 11 a.m. for breakfast; 11 a.m. to 4 p.m. for lunch; and 5 to 9 p.m. for dinner.

This is an advertising feature of The Times of Minden. To have your business featured call 286-1288.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH **NOTICE OF PUBLIC MEETING**

Proposed Amendment to Zoning By-law 4-81
Township of Lutterworth

DATED: Thursday, August 10th, 2000
TIME: 4:00 p.m.
PLACE: Lutterworth Council Chambers -
 Hwy No. 35, 3 miles south
 of Minden
APPLICANT: Brendan & Joanne Bérubé
LOCATION: Part Lot 11 Concession 12,
 located on the north-westerly shore of Gull Lake in
 the Township of Lutterworth.

PURPOSE AND EFFECT: The proposed amendment will, upon coming into force and effect, serve to rezone the subject lands from the Rural (RU) Zone to the Shoreline Residential Type Two (SR2) Zone. The proposed amendment will further fulfill a condition of a consent to a land severance to facilitate the division of those lands utilized in association with an existing seasonal residential dwelling from the balance of the owner's property holdings in part of Lot 11, Concession 12.

CONCURRENT APPLICATIONS: The lands affected by the proposed by-law amendment are also the subject of an application for consent to land severance (i.e. H-736/99). Approval of the application for consent to land severance was granted by the County of Haliburton Land Division Committee on December 13, 1999 conditional upon the lands being rezoned within an appropriate zone classification.

REPRESENTATION: ANY PERSON may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed amendment.

If a person or public body, that files an appeal of a decision of the Townships of Lutterworth in respect of the proposed amendment to the Zoning By-law, does not make oral submission at a public meeting or make written submissions to the Township of Lutterworth before the proposed Zoning By-law Amendment is adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

ADDITIONAL INFORMATION: relating to the draft By-law Amendment is available during regular business hours at the Lutterworth Municipal Office or by phoning 705-286-1541.

DATED: At the Township of Lutterworth
 this 17th day of July, 2000
 (Ms.) Mary Jane Irwin, A.M.C.T.
 Clerk-Treasurer

THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE (File No. SRA-00-02)

IN THE MATTER OF the Municipal Act; and
 IN THE MATTER OF a proposed by-law of the
 Corporation of the Townships of Anson, Hindon and
 Minden to stop up, close and convey to the adjoining
 landowner, a portion of the original allowance for road, in
 front of Part of Lot 27, Concession 4, Township of Minden,
 County of Haliburton.

NOTICE IS HEREBY GIVEN pursuant to Section
 300(1)(a) of the Municipal Act, R.S.O. 1990, as amended,
 that the Council of the Corporation of the Townships of
 Anson, Hindon and Minden proposes to consider, and if
 deemed advisable, to pass at its regular meeting to be held
 in the Municipal Council Chambers on Milne Street,
 Minden, Ontario, on August 10th, 2000 at the hour of 10:00
 a.m., a by-law to stop up, close and convey those parcels
 of land more particularly described as follows:-

A portion of the original allowance for road, along the
 shore of Kashagawigamog Lake, being Part of Lot 27,
 Concession 4, designated as Parts 1, a Preliminary Plan of
 Survey, prepared by Harry Curry Bishop Limited, Ontario
 Land Surveyors, dated January 28, 2000.

The plan of survey is available for inspection in the
 Municipal Office, at Minden, Ontario during regular office
 hours.

AND FURTHER TAKE NOTICE that before
 passing the said by-law at the meeting to be held at the time
 and place above-mentioned, the Council shall then and
 there, hear in person or by his or her counsel, solicitor or
 agent, any person who claims that his or her land will be
 prejudicially affected by the said by-law and who applies
 to be heard.

DATED AT THE Township of Minden, this 6th
 day of July, 2000.

Tammy McKelvey, A.M.C.T.,
 Clerk-Treasurer,
 P.O. Box 359, 7 Milne Street,
 Minden, Ontario. K0M 2K0

Corporation of the Township of Stanhope **PUBLIC NOTICE**

Take Notice that the Council of
 the Municipal Corporation of the
 Township of Stanhope proposes to enact a By-Law
 to stop-up, close and convey to the abutting property
 owner(s) that part of the original shore road allowance
 lying in front of Lot 26 Concession XI, described as
 follows:

Firstly: All and Singular that certain parcel
 of land and premises situate, lying and being in the
 Township of Stanhope in the County of Haliburton
 and being composed of part of the original shore
 allowance lying in front of Lot 26, Concession XI,
 being more particularly described as Part 3 on a
 Plan deposited in the Registry Office for the Registry
 Division of Haliburton County as Plan 19R-6845.

Secondly: Part of Lot 26, Concession XI,
 Township of Stanhope in the County of Haliburton
 designated as road allowance on Plan of Summer
 Resort Location by C.P. O'Dale, O.L.S dated January
 7, 1952 and attached to Crown Patent registered as
 Instrument Number 112244, designated as Part 2
 on Plan 19R-6845.

The proposed By-Law will come before the
 said Council for consideration at its regular meeting
 at the Municipal Office in the Township of Stanhope
 on the 9th day of August, 2000 at the hour of 11:15
 a.m., and at that time, the Council will hear in
 person or by his/her counsel, solicitor or agent any
 person who claims that his land will be prejudicially
 affected and who applies to be heard.

Dated: June 20, 2000

Gerald C. Bain, A.M.C.T.
 Clerk-Administrator
 Township of Stanhope
 R.R. #2
 Minden, Ontario K0M 2K0

Rover trip enjoyed by all

Hello everyone. How has your week been? The weather has certainly been favourable, although the nights are unusually cool for July. The weather is certainly keeping us guessing these days. Oh well, one has to make the best of things.

We have had some good times over the last few days. Our Tea Party last Thursday, July 6, was much enjoyed with our hosts, the ladies of the Eastern Star. We were treated with delicious goodies and wonderful company. Thank you ladies for the time spent with us.

It was also good to have Jack and Ruth here for their weekly sing-song. The following morning a group of residents attended our monthly Diners' Club meeting. We had lots of fun choosing our meal of the month. It will consist of ham, scalloped potatoes, turnip and or an alternative vegetable and for dessert we're having lemon pie. We will certainly look forward to this! Afterwards we discussed different ways of staying fit, not only physically but mentally also. Quite a few of us enjoy crosswords, cards, quiz games, chatting with each other, watching game shows on TV, reading, etc. We also participate in regular keep fit programs. So as you can see there are many ways to keep fit and we are encouraged to participate as much as we can in the different activities that are going on. Later that day, we were wonderfully entertained by the C & M music makers at our weekly Happy Hour. Our thanks to them for providing such great music.

Over the weekend we enjoyed a manicure, listened to Gord Kennedy on piano (thanks Gord), tucked into some ice cream, and spent our money on the treat wagon. We did notice a few visitors calling in. We must send out our best wishes to Reverend Burgess. We are missing him and hope he can be back with us soon.

Our week began with our Residents' Council meeting. Many things were discussed including some upcoming activities. Later on, after supper, a few residents gathered to play cards we hear that Roy Nicholls is winning quite a lot. They are hoping that more residents will join in.

On Tuesday morning during Chapel with Rev.

Dan Millard, a memorial was held for Margaret Telford and Fern Weldon. We will miss them both. A young lady was with Rev. Millard, a student from Woodstock, and she delighted us with her rendition of "Amazing Grace". We want her to know how much we appreciated her joining in.

Afterward, those residents who participated in the glamour shots gathered in the first floor ac-

tivity room to see the outcome. Everyone was absolutely delighted. Comments heard, "That can't be me", "Didn't know I was so good looking", "Just wonderful"and not just the residents who had their picture taken but from family members also. All were so pleased and amazed by the outcome. To put it bluntly - it just blew us away. Needless to say the photos will be treasured and we're sure will be placed in many an album for safekeeping as a great memento of a fun event.

The following day a few residents from the first floor travelled in the Hyland Rover for a short spin in the country. The activity is much enjoyed as quite a few of these residents don't get outside much. The short time in the air outside perks up everyone. While this was taking place, Thelda Weston was baking some cookies with Linda, and while the cookies were in the oven they were joined by Nellie, Edna and Evelyn in a discussion on cooking in general. They enjoyed remembering favourite dishes and shared some time-worn tips etc. It was fun and a must-do-again event. Later that evening, the Norland Hillbillies were with us once again providing us with their music and wonderful company. Thanks a lot. We enjoyed ourselves.

Now it's Thursday again, and we are looking forward to our tea party today. It is scheduled to be hosted by the Minden Shuffleboard group.

Time to announce our next birthday. Ada Heginbottom who will be celebrating on July 19th. Happy birthday Ada, enjoy your special day.

Before we go we have a big, big thank you to pass on. The families of Laura Upton are responsible for the lovely roses and plants at our front entrance. The roses belonged to Laura Upton and Lola Prentice and were in our old garden, which had to be removed be-

cause of all the construction that had to take place. The Uptons very kindly offered to take care of the roses in their own garden, until they could be replanted. Right now they are in containers but we're sure they will be placed in the soil as soon as the gardens are done, our appreciation to them.

There is a wonderful indoor planter in the first floor activity room. It has been planted with begonias, impatiens and hosta. It will be interesting watching them grow as we do not have an outdoor flower garden yet.

Well, we think that's it. Have a good week and we'll talk with you again.

Tender Signage

The Ministry of Natural Resources (MNR) invites interested contractors to provide bids on providing three signs (1 illuminated sign & 2 highway signs) for the Leslie M. Frost Centre, located 12 kilometres south of Dorset, Ontario, on highway # 35.

All work must be completed by October 13, 2000.

Prospective bidders must attend a mandatory pre-bid meeting at the Frost Centre on Friday, July 28, 2000 at 9:30 a.m. (local time). This meeting will allow prospective bidders to inspect the site and to have staff answer any questions pertaining to the project.

Please specify Tender #T-PET-00-029 and MERX Solicitation #31986 when requesting documents from the MERX electronic tender distribution center by telephone at 1-800-964-MERX (6379), by facsimile at 1-888-235-5800 or by visiting their website at www.merx.cebra.com. MERX is the sole distributor for this tender document. A nominal fee for each tender package is applicable.

For further technical information, please contact Keith Clark at telephone (705) 766-0505 or facsimile (705) 766-9677. For further administrative information, please contact David Elder C.P.P., Senior Procurement Officer, at telephone (705) 755-1247 or facsimile (705) 755-2025.

Tenders labeled "Tender #T-PET-00-029" must be received at Management Board Secretariat, Shared Services Bureau, Strategic Procurement Branch, 300 Water Street, 3rd Floor, North Tower, Peterborough, Ontario, K9J 3C7, no later than 2:00 p.m. (local time) on Friday August 4, 2000. Tenders will be opened publicly at the same address on Friday August 4, 2000 at 2:15 p.m. (local time). Tenders received after this time/date will be returned unopened.

The lowest, highest or any tender will not necessarily be accepted.

Notice of Herbicide Use

Notice is hereby given that Hydro One Forestry Services, formerly (Ontario Hydro Services Company Inc.) will be commencing Forestry line clearing operations in your vicinity. The work will include the selective treatment of undesirable vegetation that would, if left, grow into our power lines. The work will be completed using a combination of manual cutting, followed by low volume stump spray to prevent regrowth. The same selective application method may be used to control growth of brush up to 1 metre in height. Every effort will be made to leave compatible low growing vegetation where possible.

Location of work: Along 2.7 KV right of way corridors from PineStone Distribution Station east to Haliburton and south west to Birch Narrows Rd.

Dysart Twp. Lots 6 to 15, Conc. 7,8, & 9.

Date of Application: July 18, 2000 to Sept. 30, 2000.

Pesticide Trade Name: Garlon 4

Registration Number: 21053

Name of Pest: Undesirable vegetation (brush, tree stumps)

Name of Contact Person: J. Burk, Forestry Technician

Phone # of Contact Person: 1-705-457-6831

Toll free calls will be accepted by alternative number; 1-888-871-3490 ext. 347 and forwarded on to the District Forestry Technician.

Around the County Town

by Nora Snyder (call 286-4450; email <mindenhouse@on.aibn.com>)

It's good to know there are good people in Minden and some of them read this column!!

Linda Lickiss from the County Museum gave me a follow-up phone call this morning to say someone donated "In Quest of Yesterday" by Nila Reynolds, to the museum as requested a few weeks ago in this column. Thank you to the generous person!!

It was good news I needed as I have been feeling down about life in Minden. The sparkle wasn't there. Business was slow. In my opinion we didn't have our act together. I was having trouble feeling as positive as I wanted to. I was having trouble sitting down to write this column this week.

Then I heard from Linda. Then I saw the Scarecrow in front of The Times building, (and a fair fun-loving Scarecrow she is!!). Then I went to the Smorgasbord Supper at St. Paul's and talked with some more good people. Then some of us went to the Agnes Jamieson Gallery and saw the delightful slide presentation of "A Year in the Life of Minden". By the way, I recommend that you see it at its next presentation on Wednesday, August 2, planned for the afternoon. It was made by a teacher who cottages up here and who, with three other colleagues, makes slide shows to show at Senior's homes in the city. The audiences were amazed at our high activity level!! They captured our town when we are having fun; Canada Day, the 'boys' skate-boarding, the County Fair, etc. etc. The faces of Minden, young, old and in-between doing the things we like to do.

We have so much. We have so many blessings. We have so much to give and to share. We need to be for us not against something else!! We need to thrive!!

Opening on Thursday, July 20 at the Agnes Jamieson Gallery is Marion's World in Watercolour, watercolours by Marion Hill, my tal-

ented neighbour!! I hope you can make it up to see her work and maybe to buy!! This is sure to be a popular show. It is on until August 5.

I hope we all enjoy the week and feel proud and humble about where we live!!

SCORING NEWS

Thursday, July 6: Euchre at the Minden Legion: Verna McDonald and John Mallon won the most lone hands. Marie Dennie and Gala Stamp were the highs and Murray MacKinnon and Ed Graham were the lows. Lots of draws won by Jane Cooper, Jean Scadden, Milton Fletcher, Marg McAfee, Tod Edgson and Vi Edgson.

Friday, July 7: Bid Euchre at Club 35: Tom Orr, Frank Campagnolo, Milton Fletcher (2) and Gloria Moore won the moonshots. The High Pinks were: Peggy Awde, 255; June Branning, 247; and Elmar Hendrikson, 246. The High Whites were: Wally Thompson, 271; Chris Clarke, 257; Pat Scadden, 246. Dorothy Walters

found the hidden score.

Duplicate Bridge at Echo Hills: North/South: in first with 59%, Sharon Carruthers and Nick Lehozcky; in second, with 56%, Vic Matthews and Norma Crewson. East/West: in first with 60%, Jacqui and Kelly Metcalf; in second with 53%, Carol McCord and Pat Hannah.

Monday, July 10: Bid Euchre at the Kinmount Legion: high was Ruth Kellett; with Vic Belick second high. Ruth Kellett and Thelma Francis each won a moonshot and Verna Crego won the 50/50 draw.

Euchre at The Friendship Club at St. Paul's saw the two 'Betties', Barlow and Sharpe, each win a 50/50 draw. Lone hands were won by Norm Lee and Gladys Wruth. High scores went to Don Hicks and Deborah Graham. Kevin Maloney found the hidden score and Marie Dennie and Joyce Noble held the low scores.

Euchre at Club 35 in the evening: Olive Daniels won the 50/50 draw with Maisie

McCrone winning lone hands. The high scores were taken by Peggy Awde and Harry Randell. Marilyn Teljeur and Rod Farr took the lows. Tom Orr walked off with the baloney.

Cribbage at the Minden Legion: Verna McDonald and Lois Adamson took the top honours. Esther Lee, Joe Rivers, Gladys Wruth, Kim McCabe and Jean Scadden won the draws.

Tuesday, July 11: Seniors' Bid Euchre at the Minden Legion: The top scores went to Ruth Kellett, Shirley Elcome, Marcel Roussel and Verna McDonald. Iris Taylor found the hidden score. Ida Young won two moonshots and Joan Thompson won one.

Stanhope Contract Bridge: This week there was only one slam bid and made and it went to Ray Moore and Marianne Honc. The Special Award last week was the R. to R. A. (Riches to Rags Award) which was received by Mary McNeice. The high scores of the day went to: Ray Moore in first with 6420; second Grace Smyth, 6320; third Frank Jones with 5860; and Muriel McIntosh in fourth

with 5830.

Wednesday, July 12: Duplicate bridge at Parklane: North/South: in first with 59%, Ross Davies and Stella McMillan; in second with 55%, Nick Lehozcky and Sharon Carruthers. East/West: in first with 59%, Reet Murray and Norma Wheeler; in second with 55% Pat Hannah and Kelly Metcalf.

Euchre at Kinmount: high scores went to Kit Schroter and Gerald Silver. Second highs went to Audrey Vick and Wib St. Thomas. Kit Schroter won most lone hands. The low scores of the night went to Bill St. Thomas and Sally Taylor. Sally also won the 50/50 draw.

Bid Euchre at Stanhope: Maxine Thomson, Bill Milford, Frank Campagnolo, Tom Pearson and Milton Fletcher each won a moonshot. Those who took the high scores were: Pearl Foster with 277; Paul Thompson, 280; Maisie McCrone, 282; Mary Pearson, 287; and on the top, Vicki Campagnolo with 295.

\$100,000 REWARD!

Call now for a step-by-step introduction to telephone or web banking.

Phone and web banking. Easier. Faster. Always open.

Call us now and get a personal, step-by-step introduction to the simplicity of banking by the phone or the web. We'll sign you up, explain how easy it is, and get you going! Then you'll be checking your accounts, transferring funds, paying bills and more. Wherever you are. Whenever you need us. We'll be there.

Pay bills by phone or the web to win \$100,000.

As a TD Bank or Canada Trust customer, you are automatically entered in our \$100,000 Grand Prize Draw when you pay a bill over the phone or via the web. Plus you could win 1 of 50 weekly prizes of \$100. The more you use the phone or the web to pay your bills, the more chances you have to win!*

CALL 1-800-577-6101

www.tdbank.ca www.canadatrust.com

Or visit a TD Bank or Canada Trust Branch.

Contest runs June 5 to August 13, 2000.

*Up to a total of 20 entries. See branch or website for full contest rules. No purchase required. Total prize pool valued at \$150,000: 1 \$100,000 Grand Prize plus 50 weekly prizes of \$100 for 10 weeks to be won nationally. Chances of winning depend on total number of eligible entries. Winners must answer a skill-testing question.

Dear Cousin Clara:

Advertisement

How are you, I am fine. I just had to pass on to you what's happening at the Haliburton County Fair, right here in Minden, this year. Did you know the theme this year is "Remembering the Nineteenth Century." We would fit right in wouldn't we. We should pull out some of those old trunks in the attic. The parade will have floats, bands and I hear South Lake Trailer Park will be there to defend their tug of war trophy. They have a challenge out for all other camps in the area to be there on Saturday. Wouldn't want to go up against them would you?

You know what else they have? Camping. Yes camping, right on the grounds. I reckon we should invite Aunt Edith and Uncle Wilbur to visit and send them over. We could cover the \$35 fee for the weekend and that lets them on the grounds for Saturday and Sunday. They may even be the oldest couple at the fair. How old are they anyway?

Listen to this, they are having an ambassador contest on the Friday night. Do you know what that is? In our days, it was a Queen contest for the fair. Nowadays there are young men and women involved. How things have changed. I might wander over and just take a peek!

Look at the time. I have to run. Will write again soon.

Take care,
Cousin Elizabeth

Project Assistant
(Haliburton County)

Candidates for this position need to be computer literate and have some experience with customer service, preferably with community organizations. Components of position include research and data entry and networking with these community organizations. Applicants must have excellent written and oral communications skills, be proficient in Microsoft Word and Access. Not required, but an asset would be web development skills as well as entrepreneurial skills as it is hoped that this position will become sustainable beyond the duration of the contract (March 31, 2001). The successful candidate will be part of a four county team. Although some aspects of this position may be done from home, attendance at training sessions and planning meetings throughout the four counties of Haliburton, Northumberland, Peterborough and Victoria will be required. Applicants must be HRIF eligible. Please e-mail your resume: Attention Lori Pearson, info NORTHUMBERLAND at in@eagle.ca by July 24, 2000. 7C

CARDS OF THANKS

My heartfelt thanks to all of you...to Pat Campbell, Pat Woodcroft, Ted Carson, Jean Bolt, Roseanne Hynard, Diane Arppe, Claire McLeod, Barbara Lintner, Shirley Hodgson, Jean Hadley and anyone I unknowingly have (forgive me) failed to mention! It was only due to your thoughtfulness, kindness and just plain "hard work" that the project I started on the one hundred inch loom, subsequently interrupted by my recent illness and hospitalization, was never completed. I just want you to know how much I appreciate your help, and even more important, how much I value the many *true* friends I have at Pritchard House. I can never thank you enough and will never forget you and your efforts on my behalf! Thank you so much.
Vicki Cross.

Our dear family and friends - thank you is just not good enough to say and special mentions - well, they wouldn't let me have the whole paper! The moral support, special cards, donations, the song, food, flowers, Harleys, garden work, tarp, tables, my car and clean-up was so very much appreciated. So much that words cannot express our feelings. Please be strong. Lots of love,
Vivian and Alexis.

We would like to say a very sincere thank you to Linda and Neil Cutler, permanent residents of Road 40, Gull Lake, for the fun-filled weekend. A big thank you for the 40th Anniversary gifts and beautiful roast beef dinner and the Lindagate (Linda's caper, providing the Bancroft Times with our wedding photograph). We love you very much and as always, have a lot of fun with you two.
Love,
Marguerite & Keith
& your whole family.

Northern Eagle Tent & Trailer Resort wish to thank the following merchants for the generous donations toward our Annual July 1st Auction: Minden Home Hardware, valumart, I.G.A., Gramma's Diner, Country Magic, Kawartha Dairy, Northwood Propane Fenelon Falls and Labatts.

The Haliburton Highlands Outdoors Association and the Haliburton Lake Trout Project would like to thank all individuals who generously donated baked goods and saleable items for our Sportsman's Closet sale held on July 1st. It was a very successful event. The continued support from the community, volunteers and members of the HHOA is overwhelming and very much appreciated. Thank you one again!
Yours in Conservation
HHOA & HLTP.

CARDS OF THANKS

Kinmount Seniors 714 would like to thank merchants and friends who generously donated to our Canada Day Festivities: **Kinmount:** Dettman's Variety; Downtown chip wagon; Highlands Cinemas; Shop & Save; Slice of the North Pizza; Austin Lumber; Rokeby Building Centre; Kinvale Restaurant; Indepent Grocery; L & M Computer; Christine's Hair Styling; Lucky Taylor gas station; Country Furniture; Hazel's Tax Service. **Minden:** I.D.A. I.G.A. Paulmac's Pet Food; Home Hardware; Kawartha Dairy.

Haliburton County Home Support Services congratulates the winners of their raffle draw of July 1, Licence #M17438. 1st prize - Handmade quilt, Ron Sedley. 2nd prize - PineStone Inn (1 game) 18 holes 2 carts green fees for 4 people. Marge Sisson. 3rd prize - Wig-A-Mog Inn - Dinner for four - Nikki Fletcher. 4th prize - Bonnieview Inn - dinner for two - Amy Traviss. 5th prize - Robert Bateman print "The Loons" - Evelyn Barjarow. 6th prize - Kawartha Dairy \$25 gift certificate - Bret Short. Our "Thank You" to all who donated prizes and to all who purchased tickets. A special "Thank You" to Bill Hartin for the time and energy selling tickets.

We wish to express our heartfelt thanks to everyone for the flowers, memorial donations and expressions of sympathy during our recent loss of our Mother, Grandma, Great Grandma and Mother-In-Law, Vera Bagshaw. Thank you to the Minden Hospital, the doctor, nurses and ambulance drivers, also to the I.C. Unit at Civic Hospital, to all doctors, nurses and staff for the unbelievable care given Vera during her time there. The nurses were guardian angels. Special thanks to all our loving family and friends who were there for us when we needed you the most. Thank you to everyone who gave food and to Clara for her excellent organizing skills. Also, thanks to Gordon A. Monk Funeral Home and Staff who made such a great effort to help us plan Vera's funeral. Your thoughtfulness and consideration were greatly appreciated. Special thanks to Dr. Hartwick for all the years of care he gave Vera and to the Homecare girls who came to Vera's home. You made life easier for her. Special thanks to Ruth for all the time she stayed with Vera and for the great care she gave her. Also to Gladys and Ruth for all the trips they made to Peterborough, some in the very early mornings, to spend time with Vera. Special thanks to family and friends who came to our home to support and help us. You never let us down. May God Bless you all.
Tom & Marilyn Bagshaw
and Family.

Nature's Harmony Panoramic Quartet

In a tribute to nature and the majestic animals that symbolize it, acclaimed artist Rosemary Millette has created the first-ever Panoramix Quartet, an impressively sized (54.4 x 45.5cm) four-plate collection depicting the lords of the wilderness. Behold the "Courage" of wolves, "Freedom" of eagles, the "Serenity" of whitetail deer, and the "Strength" of the bison. Each plate measures 15.9 x 20.9cm. Completed series includes a **FREE*** hardwood display frame, a \$50.00 value. Plates feature a decorative blue border with the title of each on the front.

Your collection begins with "Courage." Item number M41551...\$54.95

AT REST
**DAVIES,
Jean**
*(Resident of Extencare,
Haliburton)*

At Extencare in Haliburton on Sunday morning, July 9, 2000 in her 76th year. Beloved wife of the late James T. Davies. Loving mother of Bonnie Davies and her fiancé Bob Bridgewater of Winnipeg and Judy (Mrs. Peter Pergolas) of Haliburton. Fondly remembered by her grandchildren Amy and Sarah. Dear sister of Margaret Chadwick of Edmonton. Also lovingly remembered by her nieces and nephews. Friends were invited to call at the Haliburton Community Funeral Home, Highway 118, Haliburton, Ontario (705) 457-9209 on Thursday July 13. Funeral service followed in the Chapel. Interment later in Resthaven Memorial Gardens. As expressions of sympathy, donations to the Heart and Stroke Foundation of Ontario would be appreciated by the family.

IN MEMORIAM

UPTON - In loving memory of Harold, Bernard and Morgan. *Wonderful memories woven in gold. This is a picture we tenderly hold. Deep in our hearts a memory is kept. To love, to cherish, never to forget. Love and miss you, Your Family.*

GARTSHORE - In loving memory of Loran and Don. *As time unfolds another year. Memories keep you ever near. Silent thoughts of times together. Hold memories that will last forever. Love and miss you, Your Family.*

**McKELVEY
Barbara Constance**

Passed away after a lengthy illness at the Ross Memorial Hospital, Lindsay on Wednesday, July 12, 2000 in her 66th year. Beloved wife of Frank McKelvey. Loving mother of Sid and his wife Cherie, Margaret and her husband Eric, Melinda and her husband Pete and step-mother of Jim, John, Blaine and his friend Michelle. Cherished grandmother of 5 grandchildren and 3 great-grandchildren. Cremation has taken place. Friends are invited to visit the family at the Gordon A. Monk Funeral Home Ltd., 127 Main Street, Minden (1-888-588-5777) on Tuesday, July 18, 2000 from 12 o'clock noon until the time of the Memorial Service at 1 p.m. Interment will be held at the Minden Cemetery. A reception will follow at the Minden United Church (downstairs). Memorial Donations to the Victoria Palliative Care, the Heart and Stroke Foundation or to the Lung Association would be appreciated by the family.

AT REST
**CAMERON,
James**

At Haliburton Hospital on Friday, July 14, 2000, in his 93rd year. Beloved husband of Constance Cameron. Loving father of Ann (Mrs. David Maher) of Haliburton and Donald and his wife Sharon of Willowdale (Toronto). Fondly remembered by his four grandchildren Michael, Jennifer, Kristine, Stuart and his two great-grandchildren, Lisa and Brian. Predeceased by his brothers John, Hugh, Peter, Alex, Dougal and sister Mary. Friends were invited to call at the Haliburton United Church, Haliburton, Ontario, on Saturday, July 22 for a memorial service. As expressions of sympathy, donations to a charity of your choice would be appreciated by the family. Funeral arrangements have been entrusted to the Haliburton Community Funeral Home, Haliburton, Ontario. (705) 457-9209.
